Dear Sponsor,

Thank you for sponsoring a Tuslaw Jr. Baseball Team last summer. Many games were won, some were lost, but through it all, the children had fun and learned about the game of baseball. That's what your sponsorship dollars are helping the Tuslaw Jr. Baseball Association achieve.

We would like to ask you to, once again this year, sponsor a team. As in the past, the league has additional opportunities for you to gain more recognition for your company or business. Our website is used for much of the league communication. Parents and team members alike will be encouraged to visit the website through out the season and the year. Your company can participate on a sponsorship level that will give you greater exposure on our website, and offer a link to your website, if you like.

Additionally, we will be giving sponsors an opportunity to have a banner that will "travel" with the team. Every game the team plays, your company will gain logo recognition as our teams travel throughout Stark County this summer.

Please feel free to call me at (330) 837-2089 if you have questions or concerns. (Or e-mail: jallan@shearers.com)

On behalf of the Tuslaw Junior Baseball Association, all the participating children, and their parents, I thank you for your sponsorship contribution.

Sincerely,

Jim Allan
Sponsorship Coordinator
