2012 Baseball Season

Dear Sponsor or Potential Sponsor,

If you sponsored a team last year, we thank you. Many games were won, some were lost, but through it all, the children had fun and learned about the game of baseball. If you are considering sponsoring a team this year, we again thank you for helping us bring the game of baseball to the kids in our community. Your sponsorship dollars are helping the Tuslaw Jr. Baseball Association achieve this goal.

This year, we have added a new option for sponsorships. This new option is to sponsor a field and includes a 2' X 4' banner for display at one of our baseball fields for the entire upcoming season! There are two available choices for this option depending on whether or not you would like your logo displayed on the banner or just your company/organization name.

We would like to ask you to, once again this year, sponsor a team. The Tuslaw Jr. Baseball website is used for much of the league communication. Parents and team members alike will be encouraged to visit the website through out the season and the year. Your company will be listed on our website as a sponsor at www.tuslawjrbaseball.com.

On behalf of the Tuslaw Junior Baseball Association, all the participating children, and their parents, thank you for your sponsorship contribution.

Sincerely,

Officers & Board of Directors
Tuslaw Junior Baseball Association
